

SCENTERED® Stop · Inhale · Reset

Scentered® is a mindfulness lifestyle brand that has created a unique Wellbeing Ritual, teaching people how to use the science behind the powerful link between our sense of smell and the part of the brain where memory and habits are formed as a tool to direct our thoughts, emotions and actions to live happier lives.

6 Balm Tester - POS Units

Balance of all the chakras

YOUR PROBLEM SOLVER TO SUPPORT SALES ENHANCEMENT ANYWHERE IN YOUR BUSINESS

- Drive additional sales without therapists having to hard sell and we answer a solution to add this different mindful service.
- A tool to open an opportunity to have a conversation and interaction with their clients.
- Can be placed on Manicure/Pedicure stations or at the register to open conversation especially in any spa and salon environment.
- With a removable educational back panel customers can self educate on how to use the balms, trial them for themselves and pick the perfect fragrance to match their mood and ask question to their therapist/staff opening a sales opportunity.
- Place on hotel/spa receptions for arrivals and departures
