

Tie your Property Together

Feature your **Custom Silk-Screened** logo frequently and consistently to reinforce your brand identity while driving sales: in locker rooms, vanities, spa treatment areas and private-label retail. Pair your logo with a quality product line and the **Industry's Best Dispensers** to associate luxury and comfort with your good name.

Why Ready Care's Dispensing Systems are the best in the industry:

Durable pump top ensures guests won't be caught without product

32 oz. Oblong Dispenser Bottles with triple bracket

Smooth-wall pump has no ribbed surfaces where grime can build up

Wide neck makes refilling a breeze

Frosted bracket stays free of scratches, streaks and smears

Streamlined bracket keeps logo visible; bottles look free-hanging

Space-saving depth of 3 inches means more room for your guests

Sturdy bottle retains its shape

Nylon spacer mounts bracket 1/4" from wall, preventing mildew

Superior ink adhesion on HDPE plastic keeps artwork looking new

Natural finish hides any deposits clinging to the inside of the bottle

Epoxy resin top coat prevents peeling or scratching
