

Since 1989, Lemi Group has produced some of the finest, custom-made spa furniture in the industry, and ReadyCare is pleased to offer Lemi to spas throughout the United States.

This amazing line of spa tables, chairs & furniture delivers “Made in Italy” quality, innovation & design, and your guests will appreciate the luxury it provides. With Lemi, your spa can deliver an even better guest experience.

### Advantages of Lemi

- Every Lemi table & chair is custom-made in Italy to each customer’s exact specifications
- They’re ergonomically designed to provide maximum comfort for both guest & treatment professional
- Multiple options for color, size, materials & accessories ensures spas get their desired look & functionality (see Lemi Group website)
- Lemi is currently being used at world-class spas around globe, and customer references are available
- High-quality manufacturing is backed by some of the best warranties in the industry
- Starting prices include shipping from Italy to the U.S., but not domestic shipping
