Your Partner for Personal Care Solutions

Zendals is an innovative brand of luxury spa products that are designed to improve the spa experience through enhanced comfort, function & ease of use.

With a robust selection of sandals, robes, blankets & linens, Zendals has been a spa industry standard for 40+ years, and is known for its constant innovation in design, texture & simplicity. Every stitch in our robes and every angle on our sandals is designed to improve your guest's comfort & well-being.

Many of our Zendals products can be custom private labeled to include your property's logo and extend your brand visibility (certain minimums apply) .

### Sandals

Zendals® launched its first patented spa sandal over 40 years ago and has been leading the industry in innovation ever since. You can be confident using sandals from Zendals in your spa.

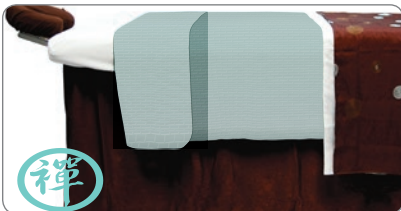

### Robes

When Zendals® expanded into spa robes, it took the necessary time to understand the market and deliver a selection of robes that spa owners needed to round out their spa experience.

### Blankets

Zendals® blankets are designed to deliver extreme comfort and handle the burden of everyday spa operations. Using a DuPont Teflon coating, these spa blankets are long-lasting and stain-resistant.

### Linens

Zendals® offers a high-quality, color-coordinated selection of linens for treatment tables. Not only do they look great but they perform well and add that special touch.
